

TELANGANA STATE PUBLIC SERVICE COMMISSION

WEB NOTE

FOREST BEAT OFFICERS (NOTIFICATION NO. 48/2017)

TSPSC desires to clarify to all the candidates as there appear to be certain misleading opinions and misinterpretation of facts in some sections regarding relinquishments for Forest Beat Officers posts. It is hereby informed that in a unique case of FBO recruitments Hon'ble High Court permitted that selected candidates may be allowed to join their posts immediately in view of the prayer of urgent requirement for field staff in the Forest Department. Relinquishments of candidates who did not intend to join the posts will be taken into consideration and regular process of selecting next in merit candidates has to be taken up. In FBO's recruitment, based on Hon'ble High Court orders, relinquished vacancies are being taken into consideration as the selected candidates were allowed to join their posts immediately without waiting for conclusion of the exercise of obtaining relinquishments.

It has to be noted that next in merit candidates will be considered in such vacancies. A misinformation is being spread that the Commission will operate a waiting list and select candidates against all non joining vacancies. Operating a waiting list is against Government rules and Regulation 6 of TSPSC. Moreover relinquishment opportunity is given only once after selection and only if candidates communicate their relinquishment, next in merit candidates are selected. Once appointment orders issued, vacancies where candidates do not join are carried forward to next recruitment. Hence it may be noted that there is no deviation in adherence to Regulation 6 of TSPSC which prohibits operation of a waiting list to fill non joining vacancies.
