

Telangana State Public Service Commission :Hyderabad

web note Dt:29/12/2018

TRT : Delay in Submission of Agency Certificates

The commission has noted that candidates are approaching the Tspsc office, demanding results of Teacher Recruitment Test. In this regard it is informed that the certificate verification was conducted by the District Educational Officers of districts concerned. However on scrutiny of the set of certificates, verified by verification staff of the districts, certain certificates especially Agency certificates were found missing. As such the candidates were informed through SMS and given time to submit proper certificates.

Another important factor contributing to delay in publishing the results is non submission of agency certificates particularly of Adilabad district. Time was extended to facilitate the submission of Agency certificates. The collector of Adilabad district had requested time till the end of Assembly Elections in December for issuing the agency certificate. As the results cannot be indefinitely delayed due to the aforesaid reasons, the commission has decided to conclude the time to submit Agency certificates by 05 January 2019, 5-00PM.

Further be noted that if a candidate is selected to a post on the strength of Agency certificate submitted by him/her and if it is later found that, he/she had submitted a false claim, the commission will disqualify the candidate duly forfeiting the selection to a post in the category claimed and the candidate will not be considered for the selection in other categories as well.
